

LUCCOMBES COARSE FISHERY

PET POLICY

Pets are more than welcome at Luccombes in both our self catering accommodation and if you are camping. Self catering places are limited so please book well in advance.

We do have a few rules that allow everyone to get along, and let everyone enjoy their holiday including your pets:

- Dogs must be kept on leads and under control at all times
- No animals are to be left unattended in the static caravans or on the campsite
- No animals are allowed in the ponds
- You must clean up after your pet
- Your pets remain your responsibility at all times and are brought to Luccombes at your own risk.

We reserve the right to charge for any damage done to property caused by your pets, and to ask you to leave if your animal(s) cause a threat to ourselves or our customers
